THE STORY

The Ironwood brings a two-story home and a high-bay drive-in shop under one roof. The living end has bedrooms, a den and a game room, while a wraparound porch with a timber gable entry gives workdays a welcoming front door.

WHY YOU'LL LOVE IT

High-bay workshop

Drive-in space with a mezzanine.

Two-story living

Separate space above the main floor.

Den and game room

Room for work and downtime.

Wraparound porch

A timber-gable welcome.

Heated living space counts the house itself. The garage and porch are listed separately.

MAIN FLOOR

SECOND FLOOR

Shaded areas are roof or open to below, not floor area.

THE VIEW FROM THE BACK

The shop mezzanine adds another way to use the tall workspace. Laundry and mechanical space remain close to daily life, so projects and home can sit comfortably alongside each other.
